- Call to order
- Welcome and roll call
- Approval of February 9, 2017 Meeting Minutes
- Update from CDPH/HAI-AC
- Discussion items:
  - Develop toolkit for ASP in skilled nursing facilities
  - Discuss following suggestions to advance/improve HAI Prevention and bring relevant recommendations back to HAI AC
    - “Address non-acute care settings. Outpatient settings are doing more invasive procedures on increasingly high risk patients”
    - “Develop an inter-facility transfer check list that provides information about potentially transmissible organisms (e.g. C difficile, CRE, MRSA, VRE ,Tb, etc.) The committee could decide which information needs to be included but perhaps not restrict the format so that different electronic health records systems could be utilized where possible to create these reports.”
      - Please review [current inter-facility check list:](http://www.cdph.ca.gov/programs/hai/Documents/InterfacilityTransferForm_fillable060816.pdf)
