**TOPIC:**

Update from CDPH:

*Review of Bagley-Keene Open Meeting Act*

*Update from CDPH/HAI –AC*

**DISCUSSION:**

*Review of Bagley-Keene Open Meeting Act*

Members were reminded of the Bagley-Keene Open Meeting Act 2010 rules. Specifically, to ensure all meeting agenda items are submitted within time to ensure they are included on the published agenda which must be posted 10 days prior of the actual meeting date. In addition, members are to ensure they are not discussing meeting information outside of public meetings with more than one additional member or member of the public to comply with the rules whether it is on the phone, via email or in person. Should members have additional comments or questions regarding meeting information after the meeting ends, they should contact the subcommittee chair directly to address their requests.

*Update from CDPH/HAI –AC*

Members were informed the motion to present the AS survey to California health professional schools and residency training programs at the August 11<sup>th</sup> HAI-AC meeting was approved. It was noted; CDPH is currently refining the survey and anticipate disseminating it within the next month.

The current chair of the AS/AR subcommittee, Dr. Lee will be ending his term with the CDPH HAI-AC at the end of the year. Under guidance of the HAI Program's chief, the chair of the HAI-AC, Dr. Silvers, selected and announced Dr. Marisa Holubar as the next AS/AR subcommittee chair. Members thanked Dr. Lee for his leadership and success in leading the subcommittee.

Members were reminded of the CDPH partnership with California Association of Health Facilities (CAHF) and the Quality Care Health Foundation (QCHF) free 6-part webinar series: Antibiotic Stewardship in Nursing Homes. The partnership supports CA skilled nursing providers preparing for the new mandate (SB 361). Each interactive one-hour webinar will address a topic area that aligns with the CDC "Core Elements of Antibiotic Stewardship in Nursing Homes" and will feature different presenters and panelists from key stakeholder organizations across the state. The next webinar is 11/30/16.

**TOPIC:**

Discussion Items:

*Components of ASP for skilled nursing facilities: SB361: On or before 1/1/17, each skilled nursing facility, as defined in subdivision © of Section 1250, shall adopt and implement an antimicrobial stewardship policy that is consistent with antimicrobial stewardship guidelines developed by CDC and CMS, SHEA or similar recognized professional organizations*

**DISCUSSION:**

The tiered ASP components for SNFs were reviewed.

Members were reminded of the goal to finalize the tiered ASP SNF components prior to the November HAI-AC meeting. The Basic tier was completed at the last meeting but may be continued to be synthesized into fewer elements.

In the Basic element tier an addition was made to bullet # 8. "And residents/families at time of development of the care plan upon admission" is to be added in the middle of the sentence. Bullet #11 is to have "and prescriber-nurse communication tools about mission of ASP" is to be added to after "implement patient assessment tools".

In the Intermediate tier bullet #2 is to include "partner with ID physician to" after "Analyze facility-specific antibiogram annually and" before "use these data to reevaluate antimicrobial formulary and inform guidelines for empiric therapy for common infection syndromes".

In the Advanced tier, several elements were deleted, including bullets # 2 (blank), 3, 5, 7, 8, 9, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, and 25. Bullet # 6 was edited to read, "Real-time prospective audit/review of individual prescribers practices with feedback given". Bullet # 10 was edited to read, "Design intervention to promote shorter durations of therapy if symptoms resolved (7 days of urinary, respiratory and SSTI)".

**ACTION/ OUTCOME:**

Chair to revise the tiered document and send to members who are to review prior to next meeting and relook at the previous elements to determine if any can be removed or combined.
