Release of Information Statement

This information shall be provided to the state department upon initial licensure. *Any changes must be provided to the state department within 10 days of the change*. The information shall be made available to the public upon request and shall be included in the public file of the facility.

The information provided on this form is mandatory and is necessary for licensure approval. It will be used to determine individual applicants or applicant facility's ability to provide health services. The information is requested by the California Department of Public Health, Licensing and Certification, in accordance with Health and Safety Code, Sections 1212, 1253, 1265, 1267.5, and 1728, and California Code of Regulations (CCR), Title 22, Sections 70107, 71107, 73205, 74105, 75022, 76205, and 78205.

Failure to provide the information as requested may result in nonissuance of a license or license revocation.

The information is considered public information and will be made available to the public upon request. The information shall be included and maintained in the individual facility's public files located in Licensing and Certification district offices.
