Court Order Delayed Registration of Fetal Death

If a fetal death was never registered, or there is no record of the fetal death on file, what can I do?

A Court Order Delayed Registration of Fetal Death is a way to register a California fetal death when it was not previously registered, or a certified copy is not obtainable.

Any beneficially interested person can petition the Superior Court to judicially establish the fact of fetal death at any time after the event has occurred.

This must be done in the Superior Court in either the California county where the fetal death was alleged to have occurred.

How do I petition the court?

California Department of Public Health – Vital Records (CDPH-VR) suggests you contact a family law attorney for legal advice in this matter. CDPH-VR staff cannot provide legal advice, nor does CDPH-VR have information about the legal process.

There are also books available at bookstores or public libraries to help you with the court process.

You can access the [court website](#) for additional information about the court process (www.courts.ca.gov.)

Court Order Delayed Registration of Fetal Death

After I get the court order, what do I submit to register the fetal death?

At the time of the court hearing, you must present the court with a completed Order Establishing Fact of Fetal Death/Court Order Delayed Registration of Fetal Death (VS 105) form, along with any documents you have that support the date and place of the fetal death. Please see next page for information on obtaining a form.

Once the court establishes the fact of fetal death, mail the following items to the CDPH-VR office using the address on the front of this pamphlet:

- **Certified** copy of the Order Establishing Fact of Fetal Death (top of VS 105 form)
- Completed Court Order Delayed Registration of Fetal Death (bottom of VS 105 form)
- \$23 fee
- Completed fetal death application (VS 12) – a form is available on the CDPH website (Sworn Statement is **not** needed since a court order is required).

See next section for explanation of “certified” copy.

CDPH-VR does not return the court order after the fetal death certificate is prepared. Keep copies of documents submitted.

If any of these items are not included, your request will be returned to you for correction.

What is a “certified” copy of the court order?

A “certified” copy of the court order must be a **copy** of the order that was originally prepared by the court. ***It cannot be an original printout.***

If the court gives you an original printout, please ask them to make a photocopy. The photocopy that the court gives you must have:

- An **original** court seal.
- A signature (or signature stamp) of the judge.
- A signature (or signature stamp) of the court clerk.

Court Order Delayed Registration of Fetal Death

IMPORTANT:

The “certified” copy must have an **original** court seal and a signature (or signature stamp) of the court clerk. It is the **original** seal and court clerk signature (certification) that make this a “certified” copy.

- Do not send CDPH-VR a copy where the court seal has been photocopied. The court seal must be an original seal.
- The court seal and a certified stamp with the date and a signature must appear on the actual certified copy of the Order Establishing the Fact of Fetal Death (either front or back) – and not on the Court Order Delayed Registration of Fetal Death form or a blank sheet of paper.
- The “FILED / ENDORSED” stamp in the top right corner of the court order **is not** the court clerk’s certification.
- You should keep a photocopy of the court order for your own file.

What is the fee for a court order delayed registration?

- \$23 – which includes one Certified Copy of the fetal death certificate.
- Additional copies are \$18 each.
- Fees should be paid by check or money order payable to **CDPH Vital Records**. International money orders for out-of-country requests should be payable in U.S. dollars.

Where can I get the VS 105 form?

One VS 105 form is included if you receive this pamphlet by mail. If you need additional copies of the VS 105 form, or are accessing this pamphlet on the CDPH-VR website:

- [Download a fillable form](http://www.cdph.ca.gov/pubsforms/forms/CtrlldForms/VS105.pdf) (<http://www.cdph.ca.gov/pubsforms/forms/CtrlldForms/VS105.pdf>.) Instructions for completing the PDF fillable form can be found on the CDPH website.
- [Order paper forms](https://apps.cdph.ca.gov/AutoForm2/default.aspx?af=1184) electronically to be mailed to you (<https://apps.cdph.ca.gov/AutoForm2/default.aspx?af=1184>.) Because of the volume of phone calls CDPH-VR receives, the Internet is usually a faster process for customers than calling the Customer Service Unit.
- Call the Customer Service Unit at (916) 445-2684.
- You can also get the form from the County Recorder in any California county.

Court Order Delayed Registration of Fetal Death

How do I complete the VS 105 form?

A sample of what a completed form should look like is attached if you receive this pamphlet by mail.

The VS 105 is a two-part perforated form.

- The top part is the court order that will be signed by the judge.
- The bottom part becomes the official fetal death certificate that will be filed in the CDPH-VR office (State Registrar) and provided to the County Recorder's Office in the county where the fetal death occurred.

PART ONE (Top Portion) – Order Establishing Fact of Fetal Death

- Complete all items except the judge's signature and the line at the bottom that states "Done in court on this _____ day of _____ A.D., 20_____."
- Your reason for having to file the fetal death by court order **must** be included on the Order (middle of the form, on the line that begins "in that"). If the reason is not included, you will have to return to court, have the Order amended, and provide CDPH-VR with a certified copy of the amended Order.

Before you leave the courthouse, make sure:

- There is a case number on the Order.
- The Order has been **certified**. (See previous section for explanation of "certified" copy.)

CDPH-VR does not return the court order after the fetal death certificate is prepared. Keep copies of documents submitted.

PART TWO (Bottom Portion) – Court Order Delayed Registration of Fetal Death

- Do not write on the "State File Number" line (directly below perforation) or on the bottom part of the form marked "State Registrar Use Only."
- Complete items 1A through 26 only.

Court Order Delayed Registration of Fetal Death

What makes a VS 105 form “acceptable?”

Important Information

Fetal death certificates are legal documents that must be able to hold up in any court, unchallenged as to their accuracy and reliability.

Because the bottom part of the VS 105 form becomes the actual fetal death certificate, it must adhere to strict guidelines:

- Items 1A through 26 must be completed.
- The form must be completed using the 26 alphabetical characters of the English language.
- Appropriate punctuation includes: a hyphen such as in “Smith-Jones,” an apostrophe as in “O’Hare,” a period as used with “Jr.” and a comma as with “Smith, Jr.”
- Unacceptable entries include: drawings, pictures, or symbols and accents or marks added to a letter to indicate pronunciation or to distinguish it in some way, such as with è, ñ, ē, or ç.
- Because the form becomes the official record, every word and letter must be extremely clear and legible.
Typing entries on the form ensures that the information is interpreted clearly.
- If you are completing the downloadable form, print on standard 8½” x 11” letter size, plain white paper, using black ink only, at 100% scale.
- If you are not able to type the form, it is extremely important that you take the extra time to print ***very clearly and legibly***. Documents that are not legible will be returned to you to complete again.
- ***Only black ink is acceptable*** (per Health and Safety Code Section 102125).
- ***There cannot be any erasures, whiteout, or alterations.***

How long will it take to get the fetal death certificate?

The [processing time](http://www.cdph.ca.gov/certlic/birthdeathmar/Pages/ProcessingTimes.aspx) for court order delayed fetal death registration can be located on the CDPH-VR website (<http://www.cdph.ca.gov/certlic/birthdeathmar/Pages/ProcessingTimes.aspx>.)

What if I still have questions?

If you have read this pamphlet thoroughly and still have questions that were not answered, please call the Customer Service Unit at (916) 445-2684. If you are checking the status of your request, please wait until after the processing time has passed before contacting CDPH-VR.
