RE: NOTIFICATION OF INTENT TO AWARD GRANTEE IN RESPONSE TO RYAN
WHITE HIV CARE REQUEST FOR APPLICATIONS (RFA), GRANT No.
X07HA12778

The California Department of Public Health, Office of AIDS (OA), receives funding from the Health Resources and Services Administration to administer the Ryan White HIV/AIDS Program Part B. The HIV Care Branch at OA administers the Ryan White Part B HIV Care Program and is responsible for the delivery of HIV care and support services for people living with HIV (PLWH).

The purpose of the RFA is to fund one Eligible Entity (EE) to develop and/or enhance access to a comprehensive continuum of high-quality care and treatment services for low-income PLWH in Fresno County. The anticipated start of the grant is April 1, 2020 and the anticipated end date is March 31, 2024. The anticipated HCP funding available for one EE in Fresno County is \$537,700 for HCP activities for Year One.

After completing application review, OA has selected and hereby intends to award Community Regional Medical Center to provide essential HCP core and support services in Fresno County to eligible PLWH.

Please note that the award is contingent upon verification that awardee is in good standing and licensed to conduct business within the State of California. For questions, please e-mail HCP_MAI_Invocies@cdph.ca.gov.
