

Micro Learning Video: GDSP PFAC Special Authorized Services

In this video, you will learn how to view specially authorized services for a specimen.

1. Click New Special Authorization Request button on Special Authorization Request sub-grid.
2. Enter all the required information on the New Special Authorization Request page before clicking Save & Close.
3. You will see specially authorized services on the Specimen record's Services grid under the Specially Authorized Services sub-grid and on the Appointment record.
4. If the specimen is already closed, no further action will be allowed.
