TRAINING INFORMATION

Phase I Training is currently being offered on-line in order to become an authorized provider in the CalGETS program.

To become an authorized provider in the CalGETS, therapists must complete online state-funded training focusing on the treatment of problem and pathological gamblers. Training consists of prerequisite self-guided online material and live virtual classroom training with an instructor for 3

days, 4 hours each. The Phase I training will provide an opportunity to obtain up to 30 continuing education units (CEUs) for MFTs and LCSWs. For more information regarding Phase I and the CalGETS program, please go to the following website:
